

# MAKE SAVINGS APPEAR OUT OF THIN AIR WITH A HEAT PUMP

## FREE! \*

No catch! Free supplied, installed and commissioned under Energy Savings Scheme from state govt. for businesses.

## 70%

Less Energy usage than a conventional water heater or boiler. Start saving on your electricity bills NOW.

### HOW THE SCHEME WORKS FOR BUSINESSES!

The Energy Savings Scheme (ESS) and Peak Demand Reduction Scheme (PDRS) provide financial incentives to implement projects that save energy and reduce electricity demand in peak times. These incentives are passed on to businesses by Accredited Certificate Providers (ACPs) in the form of discounts and other incentives.
